

Citizen's Charter

VISION:

We envision to inform and empower the people with awareness on central government policies and programmes –

- Making people informed through interpersonal sustained publicity campaigning;
- Bringing about attitudinal changes in the minds of the people through publicity programmes;
- Mobilising public opinion in favour of implementation of welfare and development programmes.

MISSION:

We act as a facilitator in coordination with state/ central government departments/ agencies to create awareness about the policies, programmes and achievements of the government.

Our mission thus is to empower the weaker sections of society especially at the grass roots level with information about schemes meant for their betterment and persuade them to derive benefit from them. These include:-

- To collect feedback and report to the development agency in measureable, analyzable and actionable manner.
- To the client Ministries to enable them to tailor their plan and formulate policies in the best interest of the common man.
